Sunday School is looking for you!

We have been blessed by helpers this summer, and still have a few spaces for those who don't want to miss out on the fun!

If you are able to help lead Summer Sunday School on August 24, 31 or September 7 please let Rev. Molly know ASAP! She'll provide all you need!

And stay tuned for the announcement about fall teaching....and the addition of a NEW youth class! We will be looking for teachers to share in the leadership of classes and just know there are new faces looking forward to spending time with our amazing children and youth!

Summer Nursery

Our amazing Nursery Helpers will be taking the summer off. Our Nursery will remain open each Sunday for parents to use. Little ones are also welcome to stay in the worship service or bring their parents and join our one room Sunday school!

OUC Repair Café

On September 27th, the Convent Glen Orleans Wood Environment Committee will be hosting their second Repair Café from 2 to 5 pm. The Environment Committee is a sub-committee of the Convent Glen Orleans Wood Community Association. They are a small group of volunteers who have been undertaking a number of projects that are geared towards improving the health, beauty and sustainability of our community. For example, they have been growing native plants and creating pollinator gardens, holding clean-up days and bird walks, and hosting information nights on topics such as energy efficiency and Monarch Butterflies. The committee has a special focus on reducing and reusing household waste and recently had

2025 Bazaar

The bazaar needs a crafty person...

someone with great ideas...but perhaps not enough time to spend crafting. We would like to form an ideas group that

could advise on the latest trends and marketable crafts. If that sounds like something that interests you, please contact Pat Young (patriciafayeyoung@hotmail.com).

Summer Music

Our OUC choir is on a well-deserved summer break. We are looking for volunteers from the congregation to share their musical gifts between then and Labour Day. If you are interested in offering a special musical selection some Sunday, please get in touch with Scott or with the Office. It might be a vocal or instrumental solo, a duet, or a small ensemble. If you are singing, you are welcome to accompany yourself on guitar or piano; if Scott is leading music that Sunday, he is happy to play for you instead!

ADOPT A GARDEN BED!

OUC has very extensive garden beds which can use your helping hand. If you can take on looking after one of them for the season, please contact Shirley Holt at 613-841-5143 or

shirleyjholt@outlook.com.

Fund raising? Fun raising?

We're always looking for new ideas! Please share yours for fun(d)raising at OUC, with Joe Tomlinson at 613-720-2058.

Repair Cafes are free, community-led events where volunteer fixers and menders assist other members of the community with repairing household items such as small appliances, textiles, electronics, furniture, toys, etc. Repair Cafes are open to everyone and are a wonderful place to share skills and knowledge, keep broken items out of landfills and build community. There are thousands of these Repair Cafes all over the world. In addition to the repairs, visitors will be able to have complementary tea, coffee and snacks.

The committee is in need of repairers and menders for the Repair Cafe. They are hoping to find community members who are able to fix bikes, clothing and textiles, and small appliances or other household items. A bonus would be someone who can fix computers, instruments, wooden objects, toys or jewellery. This year, they are also interested in including a knife sharpener.

If you are interested in volunteering as a repairer, please email to:
